Department of transport  
Office of the Košice Self-governing Region

# Content

1. Tendering transport services
2. Characteristics of regional bus transport carriers

# Tendering transport services

## Tendering services

### Rail transport

is provided by the **Ministry of Transport and Construction of the Slovak Republic** in co-operation with the transport service operator (ZSSK - Slovak Rail).

### Urban public transport

is operated by municipal transport companies or by external carriers contracted **by a city** (Transport Company of Košice city).

### Bus transport - regional

Suburban and regional bus services are managed by bus operators on the basis of contractual relations with the **self-governing regions** (Higher Territorial Unit) - public service contract
